## **DETAILED ACTION**

### *Allowable Subject Matter*

1. Claims 1-10 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or suggest the applicant's invention as claimed in detail wherein said second locking means including a first bottom lock lug formed integrally with said first sleeve and a second bottom lock lug formed integrally with said second sleeve, a first transversally extending slot formed in said second sleeve to accommodate said first bottom lock lug when said rigid hollow sleeve is in an open configuration, and a second transversely extending slot formed in said first sleeve to accommodate said bottom lock lug when said rigid hollow sleeve is in said open configuration, whereby said second locking means prevents hinged motion between said first and second parts when said rigid hollow sleeve is in said closed configuration even if said first locking means is rendered non-functional. See also applicant's comments of September 24, 2004.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
